100 NEW MEMBERS

Reports Very Encouraging at Enthusiastic Meeting of Pollard Club.
 More than 100 voters pledged themselves to support John Garland Pollard, candidate for Attorney-General, in the Democratic primary of next Tuesday, at an enthusiastic meeting of the South Richmond Pollard Club last night. The report of the membership committee, read by Chairman C. T. Murry, was very encouraging, and showed that the roster of the club now reaches about 400 voters.
 Thomas B. Morton presided at the meeting. Several of the members made formal addresses, telling of the work

being accomplished in Mr. Pollard's behalf on the Southside. Plans were discussed for further increasing the Henrico candidate's vote in Washington Ward. Three men for each precinct were appointed, who will see to it that all Pollard supporters are on hand election day.
 It was decided to have a delegation of Mr. Pollard's supporters appear at the meeting in Belvidere Hall, where he speaks next Monday night.

FOUR TO SPEAK

Big Political Rally Will Be Held in Hustings Court To-Night.
 Four candidates seeking State offices in the Democratic primary on next Tuesday will speak before voters of the Southside to-night at 8 o'clock in the courtroom of Hustings Court, Part II, under the auspices of the South Richmond Democratic Club. It is positive that Lewis H. Machen, candidate for Lieutenant-Governor against J. Taylor Elyson, incumbent; S. Gordon Cumming and Samuel W. Williams, incumbents, contesting against John Garland Pollard, and G. W. Koerner, incumbent, against J. Thompson Brown, for Commissioner of Agriculture, will make addresses. Mr. Brown will be represented by H. M. Smith. Although no definite arrangements have yet been made, it is probable that W. H. Adams will speak for Mr. Pollard.

Veterans Pass Resolution.

An important meeting of Joseph Johnston Camp, Confederate Veterans, was held last night in the courtroom of Hustings Court, Part II. Resolutions of respect were passed to the memory of Rev. R. W. Cridlin, a distinguished member of the camp, who died recently. A vote of thanks was given to Quartermaster David Brown for his aid in supplying provisions and accommodations to the veterans on their trip to Gettysburg. Comrade A. B. Davis was elected the new adjutant to succeed Judge J. M. Gregory, who resigned.

REPAIRING AVENUE

Improvements on Woodland Heights Thoroughfare Nearing Completion.
 Work on the macadamizing of Semmes Avenue for thirteen blocks in Woodland Heights is progressing rapidly. In compliance with petitions from the Citizens' Association of the suburb, the Virginia Railway and Power Company has already done its share of the improvement, and the county is building the rest of the road. When completed this thoroughfare will be one of the best on the Southside. A row of shade trees added greatly to its appearance. The avenue is being repaired from Twenty-second to Thirty-fifth Street.

This and other matters pertaining to the welfare of Woodland Heights will be taken up at the next meeting of the Citizens' Association on Thursday night at 8 o'clock. A. A. Adkins, the president, requests an attendance of all members.
 Chestnut Gets \$1,808.12.
 Judgment in the sum of \$1,808.12 was awarded the plaintiff yesterday afternoon in Hustings Court, Part II, in

the suit of L. J. Cheatwood against Mrs. L. S. Dunstan. Two days were consumed in the hearing of the case, due to much figuring and other details. The suit grew out of the fall-fall of Mrs. Dunstan to pay the plaintiff for work done on her garage at 2035 West Broad Street. She charged that Cheatwood did not complete the building as per contract, and that the cement floor was not made properly.

Whitlock Loses Two Fingers.
 Oscar Whitlock, of Swansboro, had two fingers cut off yesterday afternoon by a machine in the plant of the Star Paper Dish Company. The injured man was treated by Dr. J. M. Cofer, in charge of the city ambulance. He was later taken to the Memorial Hospital.

Cash Drawer Rifled.
 While her back was turned in waiting on a customer, the cash drawer of Mrs. M. J. Nichols was broken into and robbed of its contents last night. The thief, who is believed to be a small white boy, was seen fleeing through the alley by Officer R. L. Dunnivant. The policeman gave chase, but was unable to apprehend the boy. Only a small

sum was in the drawer at the time of the robbery.

With the Southside Police.
 Dick Cox and Cleveland Caudle were arrested by Officer Dunnivant last night on the charge of fighting and creating a disturbance in the streets. They were turned over to the county authorities.

R. C. Hughes, of Petersburg, was found lying in an unconscious condition last night by Officer Dunnivant in the rear of George Paul's ice house. He was treated by Dr. Cofer, of the city ambulance. The man was locked up in the Third Station on a charge of drunkenness.
 A report was made to the police yesterday that a negro, whose name could not be learned, was shot at the commissary department of the Seaboard Air Line Railroad. He was not badly injured.

Funeral of an Infant.
 Funeral services over the body of Bernard, infant son of Mr. and Mrs. F. C. Rainey, who died Wednesday morning at the home of his parents, on West Thirty-ninth Street, were held Thursday morning at 9 o'clock from the residence, Rev. W. C. Sale officiated. The interment was made in the family burying ground, near Hopewell Church, Chesterfield County.

Pistol "Toter" Heavily Fined.
 William Morrison, colored, charged with carrying a concealed weapon, drew a fine of \$50 and costs, with a term of ninety days on the roads, yesterday morning in Police Court, Part II. In administering the heavy fine, the judge responded to a warning to other persons who are caught violating the concealed weapon law.

Large Crowd Hears Concert.
 One of the largest crowds that has assembled on the Southside in some time heard the concert by Stein's Band last night in Washington Square. The music was received with much applause, the band responding to several encores. Next week's concert will probably be on Thursday, although no date has been announced.

FREAKS OF THE STORM

Roofs Are Nearly Lifted and 600 Pounds of Hailstones Gathered.
 Washington, July 31.—The havoc wrought by yesterday's storm disclosed many wind freaks to-day to the wrecking crews who began clearing the city streets.

The roof of a two-story frame-house was neatly detached and deposited in the yard of a neighbor 100 feet away. The old Masonic Temple was literally scalped of its tin roof.

Six hundred pounds of hailstones were registered on scales at the Soldiers' Home after the storm had subsided.

The elm planted by President Hayes was razed to the ground at the White House.

A tin roof and its attendant rafters were left hanging on a trolley wire.

The name of Henry Smiler, colored, was added to those of Walter E. Hilton, vice-president of B. P. Saul & Co., and Thomas Fealy, a tinner, who were killed yesterday. Thirty-four persons were reported seriously injured that they required medical attention.
 President Wilson to-day ordered that the fallen limbs and trees be given to the poor for kindling.

No Interest in Primary.

[Special to The Times-Dispatch.]
 Bristol, Va., July 31.—Very little campaigning has been done in Bristol in connection with the Virginia State primary to be held August 5, and it is expected that a light vote will be polled. Votes will be cast for a choice for Lieutenant-Governor, Attorney-General and Commissioner of Agriculture, respectively. The matter has been little discussed here, and the interest is confined to the few who are always active in political matters.

 Funeral from residence TO-DAY at 5 P. M. Interment in Oakwood.
 Hour by hour we saw him fade
 And slowly sink away;
 Yet in our hearts we often prayed
 That he might longer stay.
 Human hands have tried to save him,
 Sighs and tears were all in vain,
 Happy angels came and bore him
 From this weary world of pain.
 A precious one from us has gone,
 A voice we loved is still,
 A place is vacant in our home
 Which never can be filled.

A Card to the Public

My attention has been called to a statement made by Hon. S. Gordon Cumming in his address at Ronoke last night, to the effect that in the case of his election to the office of Attorney-General at the coming primary he will offer to me the position of Assistant Attorney-General, which I now occupy.

I appreciate fully the kind consideration of my friend and thank him for the very flattering words in which he has been pleased to refer to me and to my work in the office as assistant.

But that there may be no misunderstanding as to my position in this contest I deem it incumbent upon me and due to the public to state, as I have always stated to my personal friends, that I am sincerely and earnestly supporting Judge Williams for re-election to the office, and in case he be re-elected, I shall remain in my present position during his term.

I am using whatever influence I have to secure his re-election; and will be greatly gratified to have all my friends aid me in this effort by voting for Judge Williams and using their influence for his re-election.

It seems to me that if service faithfully rendered constitutes a claim for political preferment, Judge Williams has a strong claim upon the party in power.

He has a fine record as a soldier, made by him as a youth on the firing line of the Confederacy.

He has been an active and efficient worker in every political fight made by the Democratic party since I can remember and has remained steadfast in his allegiance to the party in all the varying circumstances through which it has passed.

As Judge of the Circuit Court of his clerk he faithfully discharged the duties to the satisfaction of his people until he retired from the office.

In addition to this, he has discharged the duties of the office of Attorney-General with ability during the current term, and, as shown by the report of the Auditor of Public Accounts to the Governor of the State, with unusual success and discretion so far as the financial and business interests of the Commonwealth are concerned.

Very respectfully,
 RICH'D B. DAVIS.

ECZEMA ON BABY'S HEAD AND FACE

In Pimples Like Blisters, Head Perfectly Raw, Hair All Gone, Burned and Itched, Cuticura Soap and Ointment Cured.

Reedy, W. Va.—"My baby boy when three weeks old took the eczema on the head and face. It broke out in pimples and first they looked like blisters and a yellow water would run from them. His head was perfectly raw and his hair was all gone. Everybody said he would never have any more hair. As the sores spread his hair came out. The breaking out itched so badly that we had to keep gloves on his hands to keep him from scratching his head and face. It caused disfigurement. He couldn't rest at night it burned and itched so badly. He was treated for eight months and he got worse all the time. So I decided to try Cuticura Soap and Ointment. We first washed the sores with the Cuticura Soap and covered them with the Cuticura Ointment morning and at bedtime. We kept a thin cloth and cap on his head. In two months he was completely cured after using the Cuticura Soap and two boxes of Cuticura Ointment." (Signed) G. A. Dye, Jan. 7, 1912.

Cuticura Soap (25c.) and Cuticura Ointment (50c.) are sold everywhere. A single set is often sufficient. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."
